High Tech High Media Arts 2018

GPA 4.0

## Work Experience

### **Fiesta Island Summer Camp, Fiesta Island, CA**

#### **Merit Badge Counselor**

**Summer of 2016**

Fiesta Island is highly regarded as one of the best boy scout summer camps in the nation. People all around the country (even out of country) travel to San Diego just for the summer camp. I worked there for the whole summer (8 Weeks) where I lived on the island, and only went home on saturday and returned to the island on sunday.

### **High Tech High Media Arts Wicked Soap Company, Point Loma, CA**

#### **Soap Seller/ Product Producer**

**2015-16**

High Tech High media Arts chemistry class has their own soap business called the Wicked Soap Company. I took part in this during my first semester of my sophomore year. In this time I traveled to different locations and sold our product, but I also produced the product in class. I learned various of talking skills and persuasive methods to try and hook the customer on our product.

### **The Yard, Mira Mesa, CA**

#### **Cashier and Machine Operator Assistant**

**2013-2014**

Really innovated Batting cage that gives children the best practice by using actual baseballs in the machine, so it simulates how the ball actually moves from a real life pitcher. The company's aspirations exceeded their own capabilities and they closed up shop because they were putting more money into it then what they were earning.

## Extra Curricular Activities

### **High Tech High Varsity Baseball team**

**2014-Present**

- Started Baseball when I was in the 1st grade
- Dedicated 5 days of the week at the field
- 1 year of early morning batting practice at the batting cage

### **Boy Scouts of America**

**2006-Present**

- Eagle Scout
- 400 Service Hours
- Started in Cub scouts and bridged over to Boy Scouts
